Thin Blood

Thin blood always makes trouble.
Your circulation is very poor, you
have cold hands and feet. Your
nerves are weak, you are despondent
and discouraged. Your stomach is
bad, you have indigestion and sick
headache. Your muscles are weak
and you can hardly drag about the
house. But there is a prompt cure

Mrs. M. Archer, of Holart, Tasmania, sends
her photograph and a letter to Dr. J. C. Ayer &
Co. saying: "My blood was so thin and my circulation
was so poor that my nerves were cold and
blue all the time. I lost all energy and was
almost lifeless. But Ayer's Sarsaparilla soon
restored vitality to my whole system. It
purified my blood and made it rich and
healthy. I believe it is the greatest medicine
in the world for the blood."

AYER'S Sarsaparilla

There are many imitations "Sarsaparillas."
Be sure you get Ayer's.

To get the best results from Ayer's Sarsa-
parilla your bowels must be in good condi-
tion. Ayer's Pills cure constipation.

CALLED BACK

Millionaire Henry M. Flagler's Divorced Wife Regaining Her Mental
Faculties.

The New York Press says: Divorced on the plea that she was "in-
curably insane," Mrs. Henry M. Flagler, the former wife of the Stand-
ard Oil multimillionaire, has lately shown great improvement in her
mental state and there are strong reasons to believe that she will recover
her reason completely. She is at New Rochelle and has been taking
long drives daily, accompanied by a single attendant. Apparently she
is in the best of spirits.

On August 14, 1901, Flagler divorced his wife, who had been a so-
ciety leader, on grounds of insanity. Ten days later Flagler married
Miss Mary Kenan of Wilmington, Del. It is not yet known whether
the first Mrs. Flagler, who is recovering her reason, knew she has been
divorced.

The situation opens embarrassing possibilities for all concerned that
have not before been thought of. The first concern is the attitude of
the first Mrs. Flagler toward her former husband and toward the wo-
man who has become mistress of the home she once graced. Almost
as interesting as this phase of the situation will be the action of
Flagler and his present wife. When Flagler married again, nearly two
years ago, he was convinced the wife he had divorced would always
be a lunatic. He had tried every resource of science in the hope of re-
storing her to reason, but the best physicians in the land told him there
was no hope. Now comes nature unfolding another of her mysterious
moods and confounding the doctors as well as Flagler's faith in them.
Mrs. Flagler is wealthy in her own right, having an income of \$100,000
a year.

MINISTERS STATE THEIR POSITION.

MINISTERIAL UNION PROTESTS AGAINST THE MILI-
TARY MANOEUVRES OF SUNDAY AS BEING AN AF-
FRONT TO THE SENTIMENTS OF A LARGE CLASS OF
THE COMMUNITY—THE PROTEST.

Rev. E. S. Muckley of the Christian Church and Rev. G. L. Pear-
son of the Methodist Church as a committee of the Ministerial Union,
have drafted the following protest against the National Guard drill and
sham battle at Kapiolani Park last Sunday:

In making this protest against the proceedings at Kapiolani Park
racerack last Sunday, we do not want to be understood as contending
for what is known as the "Puritan Sabbath." Nor do we regard our-
selves as possessing the prerogative to dictate how people shall spend
Sunday. At most we can only advise. But when government officials
and employees, as such, deliberately plan for, and engage in, conduct
that violates the sentiment and faith of a large and respectable portion
of the citizens in regard to the Lord's Day, we feel that we are in no
sense exceeding the bounds of propriety and are well within our rights
as citizens, when we protest against that conduct.

According to reports, newspaper and otherwise, the proceedings of
Sunday were a menace to the morals of our community. Not that a
sham battle as such is demoralizing. But its occurrence on a day set
apart as the one special day of the week for rest and public worship was
dangerous and demoralizing, and an unnecessary affront to the people
of Honolulu who hold the Lord's Day in high esteem.

By whose permission and authority the First Regiment of the National
Guard of Hawaii engaged in a Sunday sham battle we do not
know, nor is it the purpose of this protest to point out. That somebody
in government employ is responsible goes without saying. Somebody
permitted the Lord's Day to be desecrated by a noisy proceeding that
disturbed the peace and quiet of the day for many. The guardsmen par-
took of beer freely. All this sowed the seeds of disrespect for the day
into the hearts of the young especially. Not only so, but created dis-
respect for law both human and divine. The proceeding last Sunday
not only was essentially law breaking, but doubtless sowed the seeds
that will ripen into some law-breakers in the future. If the government
sanctions such things on Sunday, private individuals will feel encour-
aged to furnish and engage in Sunday carousals.

And it is not to the point to say that those who believe a sham battle
is wrong on Sunday were not compelled to witness it. What is the
purpose of a sham battle? Evidently, so far as the public is concerned,
its chief utility is entertainment. But granting that an occasional sham
battle is necessary to the highest efficiency of the soldier, this very fact
would make it seem unwise to command, or even permit, the guards to
do arduous exercise on the usual day of rest. This sham battle was
given by men who are amenable to the government. The National
Guard belongs to those who object to Sunday sham battles as well as to
those who do not. Our protest is against the government furnishing or
sanctioning an affair that proves to be a Sunday entertainment that
meets the hearty disapproval of a large portion of citizens and which
occurring on the Lord's Day tends to develop disrespect for moral and
civil law, and to lower the moral tone of the community.

The churches do not ask the government to furnish them anything on
Sunday that might prove a drawing card. Non-Christian people have
no right therefore to expect the government to furnish an affair on
Sunday that is anti-Christian in its effect on the community. Why not
hold it on a day when all who would like to witness a sham battle could
do so without laying aside principle or suppressing conscience.

This protest is made by the Ministerial Union of Honolulu.

E. S. MUCKLEY,
G. L. PEARSON,
Committee.

BILLS PASSED IN THE HOUSE

ELECTRIC FRANCHISE, LEPROSY TREATMENT AND ANTI-VACCI- NATION LAWS.

The House yesterday afternoon passed
the bill to renew the franchise of the
Hawaiian Electric Company, for 35
years. A number of amendments were
made one of them to provide that con-
sumers shall pay only half of connec-
tion expenses.

House bill 65, providing for compul-
sory attendance at school up to the age
of 21, passed second reading, a com-
mittee report against it being voted down.
The bill to permit anyone to treat le-
prosy passed second reading, also the
bill abolishing compulsory vaccination.
The act to make full fledged attorneys
of all the district court practitioners
was indefinitely postponed.

The wireless telegraph bonus bill
passed with the bonus bounty fixed at
\$12,000 a year. An amendment by Har-
ris making it \$6,000 was carried and
then reconsidered, and the appropri-
ation is \$24,000 for the two years.

CONSUL TO BE TRANSFERRED.

A recent report from home confirms a
rumor we published some time ago to
the effect that Mr. Saburo Okabe, our

Consul-Elève, would soon be recalled
to Japan and be appointed to important
position somewhere else. An appoint-
ment of Mr. Senshi Yamataka to the
position of Consul-Elève for this place,
as announced in recent Official Gazette,
leaves no doubt any longer as to the
correctness of rumor.—Weekly Hawaii
Shinpo.
